Waukesha, WI 53186

**ATTN: Mr. Mark Fortney**

**RE: Confirmation of Material Approval – Gaco Western, Gaco WallFoam 183M**

Dear Mark

This letter is to confirm that Gaco Western's Gaco WallFoam 183M has completed the ABAA Material Evaluation process and has been deemed a "ABAA Evaluated Material" and part of a "ABAA Evaluated Assembly".

The listing for your material can be found on the ABAA website under the Air Barrier Materials section at [www.airbarrier.org/materials/index\\_e.php](http://www.airbarrier.org/materials/index_e.php), Air Barrier Assemblies at [http://www.airbarrier.org/materials/assemblies\\_e.php](http://www.airbarrier.org/materials/assemblies_e.php) and in the fluid-applied ABAA air barrier master specification.

You may promote your "Evaluated Material" as allowed under the terms of the ABAA Licensing Agreement.

Please contact me should you need additional information.

Sincerely,

Colin Szewaga, C.E.T.
