

Domestic U.S. Warranty Pricing Guide

Please refer to the [Gaco website](#) for current Technical Information prior to bidding any warranted Gaco project. You may also contact your Gaco Regional Technical Coordinator at 800-813-1346 for assistance with determining technical requirements.

International Warranty Pricing

U.S. contractors bidding work outside the domestic fifty U.S. states **must contact the Gaco Area Sales Manager for the country where the project is located** prior to bidding and prior to submitting a **Pre-Installation Notice (PIN)**. Warranty availability in U.S. territories is limited. For assistance in contacting the appropriate Gaco Representative, please contact your Gaco Regional Technical Coordinator at **800-813-1346**.
