For the Warranty Period stated herein, Holcim Solutions and Products US, LLC, an Indiana limited liability company ("Holcim"), warrants to the Building Owner ("Owner") named above that the GacoFlex™ Coating purchased by Owner and properly registered for this Building (the "Coating") will not leak as a result of a manufacturing defect.

TERMS, CONDITIONS, AND LIMITATIONS

Notice. In the event of a leak through the Coating, Owner must give written notice to Holcim Warranty Services at the address below within thirty (30) days of the occurrence of the leak. Notification must include a description of the nature of the leak and a copy of Owner's original purchase receipt for the Coating. When required by Holcim, Owner must submit three (3) 12 x 12 in samples of the installed Coating selected as follows: two samples must be taken from the suspected area and one sample must be from another area. The costs related to removal of the samples are not included in this Limited Warranty. Notifying a contractor, a reseller, or an authorized Holcim sales representative is not notice to Holcim Warranty Services as required.

Replacement Product. In the event that Holcim determines that the leak is not excluded by the Terms, Conditions, and Limitations set forth herein, Owner's sole and exclusive remedy and Holcim's total liability shall be limited to providing replacement product sufficient to repair the leak. The costs involved in repairing the Coating are not included in this Limited Warranty.

Exclusions. Holcim will have no obligation to provide replacement product to repair, including but not limited to: (1.) any leak not through the Coating; (2.) any leak caused by or traced to a failure of the substrate to which the Coating is applied; or, (3.) any leak caused by or traced to a failure to properly prepare the substrate as directed on the relevant Gaco Product Data Sheet available at www.gaco.com/products. This Limited Warranty does not cover discoloration, reflectivity, blistering, installation, or workmanship in the application of the Coating.

Limitation. For the first year following the Date of Purchase, Holcim will provide replacement product to repair warranted leaks without a reduction for use and thereafter will provide replacement product on a prorated yearly basis. Holcim's obligation over the life of this Limited Warranty is limited to Owner's original purchase price of the Coating.

Non-Assignability. This Limited Warranty is not transferable or assignable in any manner and Holcim precludes Owner from claiming, representing, or implying that this Limited Warranty extends to or is available to anyone other than the Building Owner named above.

Term. The term of this Limited Warranty shall be for the Warranty Period set forth herein and shall not be extended under any circumstances without Holcim's written approval.

* When applied at the minimum coverage rates specified. Refer to Gaco Product Data Sheet for application instructions. 'DFT' indicates dry film thickness measured in mils. It shall be Owner's sole and exclusive responsibility to ensure the GacoFlex product is applied at the minimum coverage rate. Coverage rates are project-specific. Coverage rates increase when applied over granular, rough, or porous surfaces. Additional material and/or multiple coats may be needed to achieve the minimum required DFT for the Warranty Period desired. Warranty Period commences on Date of Purchase.

** Requires a suitable protective top coat when exposed to UV. Leaks or damage caused by UV exposure are excluded from warranty coverage.

‡ Qualifies for an additional 5 Years of warranty coverage when a coat of UA60, UA7090, or U66 is added at a minimum rate of 1.25 gal/100 ft² (12 DFT).
