

INDUSTRY-LEADING HIGH FILM BUILD IN JUST ONE PASS

A48 is an innovative, high-build, fast-cure, acrylic elastomeric roof coating that offers long roof life, upgraded visual appeal, strong adhesion, high tensile strength and excellent reflectivity. With enhanced film build and reduced cure time, A48 helps you complete the job faster and with fewer materials.

Enhanced Film Build up to 80 mils (5 gal/SQ) with a single pass, even on vertical surfaces

High Tensile Strength

Exceeds ASTM D6083 requirements

Microbial Resistance for a long-lasting, clean aesthetic

Early Rain Resistance* in as little as 30 minutes, full cure through in ~8 hours

Resists Dirt**

Environmentally Friendly

Sizes Available:

* Exact cure through time will vary based on ambient temperature, humidity and mil thickness. Approximate dry time is 6-8 hours at 72 °F (22 °C) and 25% RH per coat. Please refer to PDS at Gaco.com for full information.

** On properly sloped surfaces.

FORMULATING EVERYDAY SUCCESS

Gaco is the recognized leader in innovative roofing systems for a variety of commercial, industrial and residential applications.

Now, with an expanded adhesives, coatings and sealants portfolio covering every level of the building envelope, Gaco is your single-source partner in delivering project success.

PROVEN PERFORMANCE

Products manufactured in-house and proven on job sites across the country.

PROGRESSIVE FORMULATIONS

Focused on reducing costs and adapting to new codes and standards.

BEYOND-THE-BUCKET SUPPORT

Training and on-site technical expertise.

FLEXIBLE WARRANTIES

Confidence for you and your customers.
