

# Announcing the 2023 Gaco Top Contractor Award Recipients

Annual program honors contractors for excellence in commercial roof coatings and waterproofing

NASHVILLE, Tenn. (May 31, 2023) – **Gaco**, an industry-leading brand of roof coatings, waterproofing, and insulating solutions, announced the recipients of its inaugural 2023 **Gaco Top Contractor program**. This program recognizes and celebrates these contractors' commitment to quality and excellence, as well as the expertise they bring to the commercial roofing and waterproofing industry.

All Gaco Licensed Applicators are eligible for the program. This year, Gaco has awarded Top Contractor status to an elite group of roofing contractors that fulfilled the program requirements, measured by the total volume of Gaco products purchased/installed in 2022, as well as by remaining in warranty good standing. The recipients and their guests were invited to celebrate their accomplishments in beautiful Scottsdale, Arizona, for an all-inclusive trip that included airfare and accommodations, exciting excursions, networking with peers and Gaco leadership, and more.

“As the inaugural year for our Gaco Top Contractor program, we are excited and honored to recognize these professionals who demonstrated an unwavering commitment to excellence and a wealth of expertise in the commercial roofing and waterproofing industry,” said Samir Jain, Senior Vice President of Holcim’s Adhesives Coatings and Sealants business unit. “These firms embody the founding values of Gaco that continue to this day: quality, dependability, innovation, and a spirit of service for our customers. We look forward to growing these partnerships to provide superior roofing and waterproofing solutions in 2023 and beyond.”
