

Ultimate Below-Grade Shield

Fluid Applied Membrane with Advanced Drainage System

A system that works right to keep the building watertight!.

ONE STOP SOLUTION

EASY TO INSTALL

GACO WARRANTY

TECHNICAL SUPPORT

GacoPoly LM60

GacoPoly LM60 is a cold-applied, one-coat, monolithic waterproofing membrane for various surfaces. It creates a seamless membrane that will provide unsurpassed waterproofing performance and a longer life cycle than many other materials.

- **Quick and easy to apply**
- **Creates a monolithic waterproof membrane**
- **Innovative solvent-free, 100% polyurethane technology**
- **Cold applied**
- **Also available for horizontal applications**

STEP 1

COAT

Coat LM60 fluid applied waterproofing membrane and allow to cure.

GacoPoly QuickGrip

GacoPoly QuickGrip is an industrial grade aerosolized Low VOC adhesive specifically formulated to adhere drainage composites to a variety of substrates.

- **Aggressive grab tack for fastenerless adhesion**
- **Very long working time**
- **Wide spray pattern for fast and easy coverage**
- **Excellent adhesion to many substrates**
- **Quick dry time**
- **No Clean-up or Maintenance**
- **Suitable for vertical and horizontal application**
- **SCAQMD and OTC compliant; GREENGUARD certified**

STEP 2

SPRAY

Spray Quick Grip LVOC Drain Mat Adhesive to the cured surface.

GacoPoly Waterproofing Drain Mat

GacoPoly Waterproofing Drain Mat is a prefabricated drainage composite designed to provide protection for waterproofing systems and managing subsurface water around building foundations.

- **Available for pedestrian, vehicular, and heavy duty applications**
- **4-mil protection sheet for sand and aggregate**
- **Drainage system for vertical applications**
- **Suitable for retaining walls, basement foundations, planters, and under slab**

STEP 3

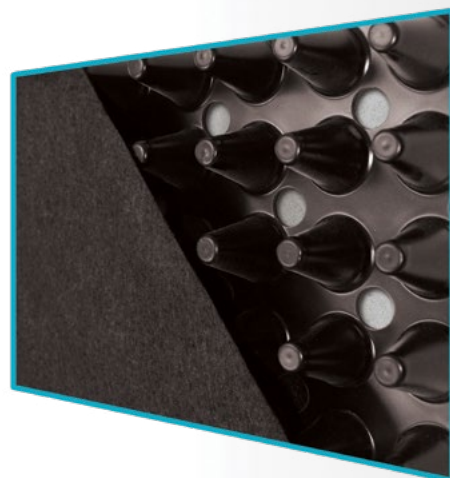

STICK

Position and adhere the drain mat to the surface.

THAT'S IT!
Ultimate protection in 3 simple steps!

Refer to our product data sheet for detailed application instructions.

Gaco Accessories

GACO PART #	DESCRIPTION
LM60H-4KA	LM60 Horizontal 4 Gal Kit
LM60V-4KA	LM60 Vertical 4 Gal Kit
LM60B-Q	LM60 Part B for Horizontal and Vertical Kits
DMADH-27	Gaco Drain Mat Adhesive (27lb cannister)
DMLTPS-4×50	Light Traffic Drain Mat with 4 mil protection sheet
DMMTPS-4×50	Moderate Traffic Drain Mat with 4 mil protection sheet
DMVTPS-4×50	Vehicular Traffic Drain Mat with 4 mil protection sheet
DMHDPS-4×50	Heavy Duty Drain Mat with HD protection sheet
DC12EO-10K	12" End Exit Drain Fitting
DC12SO-10K	12" End Side Drain Fitting
DC12-165	12" Drain

Gaco is a world leader in adhesives, coatings and sealants for the construction and building industries. With a portfolio that covers every level of the building envelope, we are your partner in project success.
