- Clear

## Superior Application

**Excellent Coverage:** Maximizes material usage.

**Great Spray Pattern:** Ensures a consistent, controlled application every time.

**Stay-on-Top Performance:** A High-build formula that does not sink into substrates.

## Efficiency & Speed

**Application Efficiency:** Fast drying with a long open time for maximum flexibility.

**Aggressive Grab Tack:** Instant, high-strength bond on contact.

## Reliable Results

**Versatile Adhesion:** Excellent bond strength to many different substrates.

**High Durability:** High heat resistance and reliable bond strength.

**NEW NAME, SAME PROVEN PERFORMANCE** Sta'-Put is now GacoBond™ — bringing the same proven performance and reliability you trust, now backed by the strength and support of the Gaco brand.
